

# MASE Referrals – Children Placed in Barking and Dagenham by other Authorities

## STEP 1

Home authority completes relevant checks and notifies B&D MASH of placement as per procedures by e-mail to [childrens@lbbd.gov.uk](mailto:childrens@lbbd.gov.uk)

CSE Risk Assessment Tool completed by allocated social worker in home authority, sent to MASH with notification for inclusion on ICS and sent to MASE Mailbox: [MASEReferrals@lbbd.gov.uk](mailto:MASEReferrals@lbbd.gov.uk) for triage through Pre-MASE.

MASH loads CSE Hazard Flag on ICS

## STEP2

Triage at Pre-MASE to include QA of steps outlined above, data gathering for the VOLT (to inform Profile).

Case added to MASE Tracker

Cases meeting MASE Criteria identified.

Agenda set for MASE

Home authority notified of outcome by MASE Chair

## STEP 3

Case considered at MASE.

Relevant action agreed

Home authority notified of outcome by MASE Chair

# MASE Referrals – Children Placed in Barking and Dagenham by other Authorities

## STEP 4

Where CSE concerns emerge for a child already placed in Barking and Dagenham:

Allocated social worker in home authority completes a CSE Risk assessment and sends to Barking and Dagenham MASH and MASE Mailbox: [MASEReferrals@lbbd.gov.uk](mailto:MASEReferrals@lbbd.gov.uk)

MASH loads CSE Hazard Flag on ICS

Steps 2 & 3 then followed.

**The Home authority must notify B&D MASH when the young person moves out of Barking and Dagenham and/ or when the CSE issues have been resolved.**

MASH closes the CSE Hazard in ICS
